Super teaching

Excellent

Need more technical methods of teaching including ICT provisions.

It is good but updated version of technical sessions are required.

It is better to conduct somemore lifeskill and employability skill events.

Involvement of students in curriculum activity is necessary.

Effort of faculty is very high as students concern for future .

The quality of teaching is excellent but the process requires more technical support.

Programme on soft skills may help students to build carrier.

The programmes oriented on compitative skills are required .

As the institution located in rural area it is better to focus on conducting programmes on communication skills .
